# Dallux Nevis Chair

## Luxury in Mobility

Experience the perfect blend of innovation, comfort, and style with the **Dallux Nevis Chair** – available in Petite, Standard and Grande sizes to suit every body, and in a choice of five attractive colours. Designed with uncompromising attention to detail, the Nevis is more than just a rise and recline chair – it's your personal haven of relaxation.

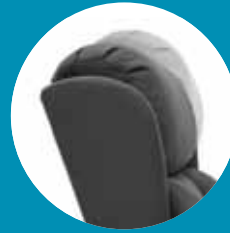

At the heart of every Nevis chair is our exclusive '**Ultra-Lux Comfort**' seat design – a unique combination of **coil pocket springs** topped with a **generous layer of high-resilience foam**, delivering lasting support and cloud-like softness. The **luxurious lateral backrest** includes a **firm yet exceptionally comfortable cushioned lumbar support**, cradling your body exactly where it matters most.

**Effortless control** is just a touch away with **illuminated buttons** and **clear, intuitive picture instructions**, making operation simple for all users. And for added peace of mind, each chair comes with a **built-in battery backup**, allowing multiple full movements even during a power outage.

Built to last, the Nevis supports up to **24 stone (150kg)** and is upholstered in a **high-quality, durable domestic fabric** that is both stain-resistant and water-resistant, thanks to a pre-treated finish – keeping your chair looking pristine, day after day.

Choose a **Triple or Four Motor model** to unlock even more luxury.

**Triple motor chair** additionally has:

### **Powered Headrest Function**

– Supports optimal neck and head positioning for tailored comfort

**Four motor chair** additionally has (Standard chair only):

### **Powered Lumbar Support**

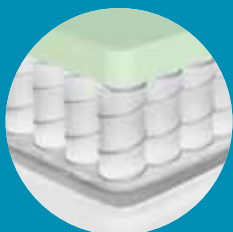

– For optimum personalised back comfort

### **8-Point Vibration Massage Function and Built in Heat**

– Our massage and heat uniquely covers back, lumbar, thighs and legs

## Key Features & Benefits

### **Unique 'Ultra-Lux Comfort' seat design**

– Seat includes a quality high resilient foam over coil pocket springs for long-lasting comfort

### **Luxurious Lateral Back with Cushioned Lumbar Support**

– Firm yet comfortable backrest designed for long-term use

### **Treated Soft and Durable Upholstery**

– Stain and water resistant, soft to touch, and Crib 5 fire retardant for safety and hygiene

### **Simple, Illuminated Control Handset**

– Easy to operate, even for users with reduced dexterity

## Models

- Triple Motor

## The UK's Only True Pressure-Relieving, Fully Waterproof Triple Motor Riser Recliner – available Next Day in five attractive colours.

Combining medical-grade performance with Dallux's renowned comfort and style, the **Nevis Healthcare Chair** sets a new standard in healthcare seating. Designed in a **standard size with a triple motor mechanism**, this chair is ideal for users who require advanced pressure care without sacrificing adjustability or aesthetics.

This model also features a **powered headrest, lateral and lumbar back support, illuminated easy-use controls**, and a **built-in battery backup** for safety and convenience. With a **24 stone (150kg)** weight capacity and a **market-leading warranty** (10 years mechanism, 5 years motors, 2 years full chair), it's built to perform and made to last.

Available in five attractive colours with next-day delivery UK-wide, the Dallux Nevis Healthcare is the only chair of its kind on the market today – delivering clinical functionality, exceptional comfort, and outstanding value.

## Key Features & Benefits
